Call for Papers
for the anniversary XXV. Information Security Summit
Date and place**: 29 – 30 May 2024, Prague**
Title: **"25 years of the IS2 - Secure and Digital Society"**

General Information

IS2 (Information Security Summit) is a prestigious international conference on cybersecurity.

The XXV edition of the conference is entitled **"25 years of the IS2 - Secure and Digital Society"** will be held **in Prague from 29 to 30 May 2024**. The conference is intended primarily for experts and senior and middle management who are responsible for digitisation, secure ICT operations, data security and ICT compliance in companies. IS2 is not industry-specific, but professionals from government, utilities, telecommunications, finance and healthcare have always found and will find high added value there. For more information visit https://www.is2.cz/en
